Loch Lomond Aquarium

The journey will take you on a trip from the mountain streams that supply the largest expanse of fresh water in Britain, through to the deep secrets held within the 'Bonnie Banks' and out into the wonders of the Irish Sea. Also examine the feats achieved in the Clyde Shipyards and the effect they had all over the world in our Tropical Ocean Display!

National Park Gateway Centre

Loch Lomond Shores hosts the Loch Lomond & The Trossachs National Park's Principal Gateway Centre. The Centre provides general tourist information, has interactive displays and staff who can help you explore and enjoy your National Park. You can find out more about the Flora & Fauna, Landscape, Heritage and Culture of Loch Lomond, The Trossachs, Breadalbane and the Argyll Forest.
